

Parent Designation to Permit Another Person to Consent for Health Care

1. I/we hereby state that I am/we are the parent(s)¹ of the child(ren) named below and there are no court orders now in effect that would prohibit the exercise of the power that I/we now seek to authorize.²

2. This designation shall permit _____, (“designee”) to give consent for health care services for the following individuals:

_____	_____
Name	Date of Birth
_____	_____
Name	Date of Birth
_____	_____
Name	Date of Birth
_____	_____
Name	Date of Birth

3. This designation shall be valid from _____ until and including _____ (maximum of six months).

4. As to the above named child(ren), the designee is authorized to:

- _____ consent to immunizations
- _____ consent to general health care, including examination and treatment
- _____ consent to dental care
- _____ consent to developmental screening
- _____ consent to mental health examination and/or treatment

The designee’s authority is limited as follows: _____

¹ The word “parent” is specifically used in the statute, and therefore it is questionable whether a non-parent legal guardian has the power to delegate authority to a designee under the law. *General Obligations Law §5-1551*. Parents may appoint a designee for minor children, as well as incapacitated children.

² If a court has ordered that both parents must agree on health care decisions, both parents must sign this designation.

5. Revocation: I understand that this designation shall be revoked by any of the following:

- a. A parent may revoke a designation by notifying the health care provider **either orally or in writing, or by any other act evidencing a specific intent to revoke the designation, or by executing a subsequent designation.**
- b. If both parents have signed this designation, and either of the parents revokes it, the authority of the designee is revoked.
- c. A designee must notify all appropriate health care providers of any revocation of his/her authority.
- d. If the parent who signed a designation becomes incapacitated or dies, the designation is revoked.
